Preferred Player Packages Order Instructions

You can now order your packages and reorder products online with our new online VIP store <http://babolat.com/2p1g8SJ>

Once you select your package use the promo code that has been emailed to you in order to receive your product discount.

For reorders outside of racket packages, you will not need the promo code. The discount will be applied automatically. Shoe orders and reorders must be placed separately from package orders.

For example, if you are ordering a 2-racket package and a pair of shoes, you will first need to place the package order with rackets, racket bag, strings, stencil, ink, and grip and checkout with your promo code. After placing the package order you can then place a reorder.

Orders can range between 2 and 6 racket packages and include a racket holder x12, x6 or backpack plus your choice of string. Packages also include on grip x3, one stencil, and one ink. **These exact items and quantities (listed below) need to be selected in your cart in order to receive the player discount at checkout.** Once your racquets and bag are selected, you will be prompted to put in your grips, stencil, and ink. Please be sure to select one of each of those 3 items to put in your bag before you proceed to checkout.

For each of the items listed below, you must select one of the associated quantities to receive a discount when placing your package order:
